FROM Nicaragua .- The despatch from New York, published in yesterday's Patriot, would indicate that Col Titus had deserted to the Costa Ricans and with them made two assaults upon the News 21st inst, position of Walker's forces on the San Juan. This is evidently a mistake. The advices by the Ten nessee as tel graphed to the Augusta Dispatch,

Walker's position was unchanged .- He had repulsed two attacks of the enemy, but had himself been twice repulsed in attacks upon the enemy at ON TUESDAY, MARCH 24TH, 1857, at 10 o'clock, A San George. Col. Lockridge had been defeated at Casti D, owing to the cowardice of Col. Titus, who had deserted to Rivas. Thirty deserters from Walker had arrived at Aspinwall.

We infer from this and the despatch to the Nashville press, that Titus has left Lockridge and gone to join Walker at Rivas.

THE WEATHER. - The weather has again become fair and Spring-like, although true to the characteristics of the month, yesterday was quite windy. The sun having got across the line, we may expect henceforward, for a time at least, much more agreeable weather than that which has prevailed for sev- 200 boxes Sta 200 k boxes

FAVORS .- The officers of the good steamer Ella, have obliged us with late files of St. Louis papers for which they have our thanks.

Attention is directed to the advertisement of a change of schedule on the Nashville & Chattanonga Railroad, the evening train leaving hereafter at 5 P. M.
